The Economist

Annual index

1982

volumes
282-285
inclusive

Page numbers Each entry is followed by two page numbers. The first (in Roman type) refers to UK-printed issues of The Economist, the second (in italics) to American-printed issues. American-printed issues are circulated in the USA, Canada and Mexico, and UK-printed issues in the rest of the world. If you are not sure which issues you have, check the note at the foot of the contents digest, which reads either "Printed in the UK" or "Printed in the USA".

Section indicators The section of The Economist in which an item appeared is indicated by a letter-code following the page numbers. The codes are as follows:

A **A**merican Survey
B **B**rief
C Letters (**C**orrespondence)
E **E**urope
F **F**inance
I **I**nternational
L **L**eading Articles
